**Learning Evangelism from Jesus**-Jerram Barrs 2009-05-06 Studying Jesus' conversations with diverse people in his day, Jerram Barrs draws lessons and principles for attractively communicating the gospel to unbelievers in our day. Living in a culture that is opposed to Christianity tempts God's people to conform, to retreat, to be silent. But Jesus showed the way to live faithfully before an unbelieving world. As the greatest evangelist, Jesus exemplified how to attract people to the gospel. He modeled how to initiate spiritual conversations full of grace and truth. Christian evangelism, then, both in theory and practice, must be shaped by his pattern. Seeking to articulate the passions and principles present in Christ's life and words, longtime L'Abri staff member Jerram Barrs has studied Jesus' diverse encounters with people throughout the Gospels. Each chapter of Learning Evangelism from Jesus recounts one of those stories, draws useful lessons for readers' lives and communication of the gospel, and concludes with questions for further reflection and application. This highly practical book will guide Christians in how to live before unbelievers and how to love them into the kingdom, just as Jesus did.

**Jesus the Evangelist**-Richard D. Phillips 2007 Do you share your faith often--or at all? All Christians are called to be evangelists. But many believers ask: What is an evangelist? How do I begin to talk to someone about Jesus? What must I say? This book offers answers about evangelism

straight from the pages of Scripture.

**The Heart of Evangelism**-Jerram Barrs 2005-02-08 All Christians are called. Called to love God with all that we are. Called to serve Him. Called to reach out to the lost. However, if we are honest, the majority of us would admit that we find this last calling the most difficult. While we gladly support the evangelistic ministries of others, many of us feel discouraged by our own attempts at witnessing because our memorized approaches don't seem to work. This biblical study of evangelism gracefully reminds us that the New Testament model of witnessing is not a one-size-fits-all methodology. With compassion for the lost filling every page, Jerram Barrs shows the variety of approaches used in the New Testament-where the same uncompromised Gospel was packaged as differently as the audience-and calls you to follow its example. You can learn to witness comfortably in your particular circumstances so that sharing Christ doesn't feel like a chore. And as you watch God work in the lives of others and see the great blessings He brings, you'll discover what a privilege it is to live out the heart of evangelism: truly loving others to Christ.

**Jesus at the Door**-Scott McNamara 2020-09-29 As many as 96% of Christians are not leading anyone to Jesus. Which means that the vast majority of the wider church is, at best, simply sowing. The kingdom of God, however, requires both sowing and reaping. If we neglect reaping, we will

not have a healthy harvest. Jesus at the Door offers a unique tool--an Equipping Card to use with anyone you know, anywhere--and practical, step-by-step instructions, helping readers witness to friends, family, even strangers on the street. This tried-and-tested method is framed around nine points and a picture, and takes about two minutes from introduction to salvation. A Leader's Guide to Jesus at the Door explains in greater detail how to use the Equipping Card and is the perfect resource for pastors and ministry leaders who want to help their congregations or group members share the gospel effectively, partnering with the Holy Spirit and inviting users to learn to grow in Spirit-led evangelism. This book shows how you--yes, even you--can move from being a seasoned sower into a relentless reaper, living out a naturally supernatural lifestyle.

**Evangelism for the Rest of Us**-Mike Bechtle 2006-05-01 The most common methods of evangelism are tailor-made for extroverts. But what about the rest of us? Other Christians, including introverted, reflective people, are left with feelings of guilt and fear and the desire to become more outgoing. The problem, says Mike Bechtle, is not their personality, but that they've been taught methods of evangelism that push them too far out of their comfort zone. In *Evangelism for the Rest of Us*, Bechtle shows readers how to share their faith in more comfortable ways by helping them discover and define their unique strengths within their personality type. With fresh, biblical insight, this much-needed resource renews a passion for sharing Christ with others, because telling the Good News does not have to be so intimidating.

**Questioning Evangelism, Second Edition**-Randy Newman 2017-04-25 You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this

perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. "Distilled out of over twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How very much like the Master Himself!" --D. A. Carson, Trinity Evangelical Divinity School "Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day." --Mitch Glaser, Chosen People Ministries

**Speaking of Jesus**-Carl Medearis 2011-07-01 Some of us fear moments when we need to defend our theology. Some of us seek them out. But we are seldom ready the way Jesus seemed to be ready. So how do we draw others to God in the midst of these ordinary conversations the way Jesus did? In *Speaking of Jesus*, Carl Medearis draws on his experience of international reconciliation between Muslims and Christians to remind us of the heart of the matter: Jesus. Here he gives us tools, stories, and the foundation we need to move beyond "us" and "them" and simply talk about the One who changes it all. As Carl writes, "While others are explaining and defending various isms and ologies we're simply pointing people to our friend. The one who uncovers and disarms. Who leads people right to himself. The beginning and the end of the story. A good story indeed."

**Evangelism**-J. Mack Stiles 2014-04-16 Christians often struggle to know

where to start when it comes to telling others about God, Jesus, sin, and salvation. In this short book, J. Mack Stiles challenges us to view evangelism as something we do together instead of something we do alone, helping churches cultivate a culture of evangelism that goes beyond simply creating new programs or adopting the latest method. The seventh volume in the 9Marks: Building Healthy Churches series, this book will help Christians joyfully embrace evangelism as a way of life as it equips them to share their faith with those who don't yet know Jesus. Part of the 9Marks: Building Healthy Churches series.

**Evangelism Is---**Dave Earley 2010 Two veteran missionaries write forty creative and empowering chapters on what it truly means to share Jesus with passion and confidence both locally and worldwide.

**Evangelism in a Skeptical World**-Sam Chan 2018-03-13 Most Christians already know that they should be telling their friends about Jesus. But they have been poorly equipped with methods that are no longer effective in today's post-Christian world. As a result, many people become frustrated, blame themselves, and simply give up. *Evangelism in a Skeptical World* is a textbook on evangelism that is ideal for the church or the classroom to equip Christians with the principles and skills they need to tell the unbelievable news about Jesus to friends in a skeptical world. Many of the older principles and methods of evangelism in the twentieth century no longer work effectively today. In a post-Christian, post-churched, post-reached world we need new methods to communicate the timeless message of the gospel in culturally relevant ways. Dr. Chan combines the theological and biblical insights of classic evangelistic training with the latest insights from missiology on contextualization, cultural hermeneutics, and storytelling. Every chapter is illustrated with real-world examples drawn from over fifteen years of evangelistic ministry. These are methods that really work - with university students, urban workers, and high school students - getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ. Field-tested and filled with unique, fresh, and creative insights, this book will equip you to share the gospel in today's world and help as many people as possible hear the good news about Jesus.

**Tell Someone**-Greg Laurie 2016-02-01 Understand, this book is not written to make you feel bad or condemn you if you have not engaged others with the gospel message. This book is written to encourage and inspire you. Even though pastor and author Greg Laurie is a "gospel-presenting professional," in this book he tells stories of his own failure and success. The most important things you will find here are biblical principles that you can apply yourself. Taken from the life and witness of Jesus, and tested over Greg's forty years of ministry, in both one-on-one experiences and large-scale evangelistic arena and stadium events, these ideas are intended to mobilize every person in the church to "Tell Someone" about Jesus Christ.

**Jesus the Evangelist**-Allan F. Wright 2013 The Catholic Church is in the midst of a worldwide effort to engage its members in evangelization, and welcome home those who have left the Church. Yet the meaning of evangelization is unclear to many people: what is it, and how is it part of my life and my faith? *Jesus the Evangelist* is a transformative guide to becoming a better disciple through studying the words of Jesus. Using specific and concrete examples from Scripture, the book focuses on the life of Jesus and on the ways he evangelized among his disciples and followers. It defines for Catholics what evangelization is while addressing how individuals can evangelize in their everyday lives, and how parishes can evangelize through the examples Jesus gave us. Pope Benedict XVI said; "The missionary task is not to bring about revolution in the world but to transfigure it, drawing power from Jesus Christ who 'convokes us at the table of his Word and Eucharist.'" This book will guide the reader into active discipleship, providing a practical application of both Scripture and Church teaching to the process of evangelization.

**BLESS**-Dave Ferguson 2021-01-05 What If You Could Change the World without Changing Your Daily Routine? When you've been transformed by God's love, you can't help but want others to experience the same grace and freedom. But how do you share it without scaring them away or offending them? For most Christians, "evangelism" is an intimidating word that

suggests handing out tracts to strangers or doing other awkward things. But what if there was a more organic, more authentic way to share your faith with your friends, neighbors, and coworkers? Dave and Jon Ferguson have found five simple, straightforward practices that will allow any believer to do just that. And by consistently living them out, you can affect not just individual lives but your entire neighborhood and community—one person at a time.

**Sharing Jesus without Freaking Out**-Alvin Reid 2017-04-01 You were born for this. God hardwired you—yes, you—for this. I'm talking about sharing Jesus with others. What if I told you evangelism is less about delivering a polished presentation and more about having a real conversation? What if I told you that God has created you to bring glory to himself by sharing Jesus with others, and that you don't need years of training to obey what he already made you to do? God created you for his glory to advance his gospel with the gifts, talents, and opportunities he gave you. You live at this time in history for a purpose bigger than yourself. In these pages you will read how to connect the gospel story with your story, and how to talk about that story in normal conversations with people you know. No gimmicks. Nothing clever. No need to freak out. Just you, Jesus, and others—in conversations that matter.

**One-On-One Evangelism**-Lee Moseley 2014-06-02 For a number of reasons, evangelism is often fraught with anxieties and fears. At the same time, sharing your faith is one of the most fulfilling and exciting things that you will ever do. As a "friend of sinners," Jesus spent half of his ministry time in one-on-one discussions with others. This is the primary model for evangelism that our Lord has provided for us. In One-on-One Evangelism, Lee Moseley offers a fun and simple model for spreading the gospel. It's as simple as being a friend. After reading this book, you will one day look back, and say, "I never dreamed it was so easy. There is nothing I like to do more than get with people and become their friends. Absolutely nothing "

**The Sacrament of Evangelism**-Jerry Root 2011-04-01 A recent statistic

suggests that 15% of the churches in America are growing but only 2.2% are growing evangelistically. Much of the church in America has lost its evangelistic zeal and forgotten how to re-ignite it; this book is an attempt to light the fuse of the powder keg so that the church, long-distracted by so many things, might return to its primary mission in the world. We do not take Christ to anyone; He is already there. We go to make explicit what we see Him doing implicitly. It is not a question of whether God is at work in His world . . . Our hope is to see more of God's people at work with Him! Learn about why we share our faith, Christ's role in our evangelism, the deep longings in all our hearts, and how to effectively live a sacramentally evangelistic lifestyle. We are offering a way of looking at life and the world that is open to God's presence everywhere. This approach is called sacramental. And where better to experience God's presence than in His workplace? This is the Sacrament of Evangelism.

**How to Talk about Jesus (Without Being That Guy)**-Sam Chan 2020-11-03 Most Christians know they should be trying to tell their friends and family about Jesus. But in a post-Christendom world, personal evangelism is viewed negatively--it's offensive, inappropriate, and insensitive. Recent studies confirm that the majority of Christians rarely evangelize, worried they might offend their family or lose their friends. In *How to Talk About Jesus (Without Being That Guy)*, author Sam Chan equips everyday Christians who are reluctant and nervous to tell their friends about Jesus with practical, tested ways of sharing their faith in the least awkward ways possible. Drawing from over two decades of experience as an evangelist, teacher, and pastor, Chan explains why personal evangelism feels so awkward today. And utilizing recent insights from communication theory, cross-cultural ministry, and apologetics, he helps you build confidence in sharing your faith, and teaches you how to evangelize your friends and family in socially appropriate ways.

**Conversational Evangelism**-Norman L. Geisler 2009 Witnessing used to involve laying out the truth and guiding a person to understand and accept it. But the awareness of basic Christian principles has changed and so have the needs of pre-believers. With a passion for people, authors David and Norman Geisler share an engaging, conversational approach to evangelism as they address: What makes old models of witnessing ineffective in today's culture Why evangelism must start with relational pre-evangelism How to ask questions, listen attentively, and understand what someone believes Ways to identify the real barriers to belief in order to build a bridge to truth How to keep dialogue going with different personality types This refreshing, practical resource is ideal for churches and individuals. Readers will discover how God uses their everyday encounters for great things when they switch from trying to witness effectively to effectively being a witness through communication and compassion.

**The Art of Personal Evangelism**-Will McRaney 2003 How to share your

Christian Faith.

**The Gospel According to Mark**- 1999-01-01 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

**The Gospel According to John**- 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**The Good News Club**-Katherine Stewart 2012-01-24 In 2009, the Good News Club came to the public elementary school where journalist Katherine Stewart sent her children. The Club bills itself as an after-school Bible study, but Stewart soon discovered that its real mission is to convert children to fundamentalist Christianity. Astonished to discover that the Supreme Court had deemed this religious activity legal in public schools, Stewart began an investigative journey to dozens of cities across the nation to document the impact. As Stewart makes chillingly clear, the rapidly expanding network of Good News Clubs represents just one of a range of initiatives intended to insert religious values into public schools. Although they often appear to be spontaneous, local events, they are in fact organized and funded at a national level. Taken together, they represent a new strategy of the Religious Right in its long-running aim to "take back America," undermining our public education system and secular democracy itself.

**The Gospel According to Matthew**- 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**From Buddha to Jesus**-Steve Cioccolanti 2010 Buddhism is not a way of harmony and cosmic unity, as Westerners tend to think. Although Buddhism is a rapidly rising religion in the West, few Westerners know what Buddhism is like from the inside. Steve, who made the journey from Buddhism to Christ, explains the Buddhist mind-set and worldview, and makes useful points of comparison.

**The Acts of the Apostles**-P.D. James 1999-01-01 Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

**Revelation**- 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. **Chasing Contentment**-Erik Raymond 2017-03-16 Recovering the Lost Art of Contentment The biblical practice of contentment can seem like a lost art—something reserved for spiritual giants but out of reach for the rest of us. In our discontented age—characterized by impatience, overspending, grumbling, and unhappiness—it's hard to imagine what true contentment actually looks (and feels) like. But even the apostle Paul said that he learned to be content in any and every circumstance. Paul's remarkable contentment was something grown and developed over time. In *Chasing Contentment*, Erik Raymond helps us understand what biblical contentment is—the inward gracious spirit that joyfully rests in God's providence—and then how we learn it. Giving us practical guidance for growing in contentment in various areas of our lives, this book will encourage us to see contentment as a priority for all believers. By God's grace, it is possible to pursue the high calling of contentment and anchor our joy in God himself rather than our changing circumstances.

**Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation**-Kristin Kobes Du Mez 2020-06-23 NEW YORK TIMES BESTSELLER The "paradigm-influencing" book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. *Jesus and John Wayne* is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with "a spiritual badass." As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's *Wild at Heart*, and

they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “Christian America.” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals’ most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

**Unearthing My Religion**-Mary Gray-Reeves 2013-09-01 • A brief, engaging read with ample spiritual applications • Each chapter includes a parable, real-life stories, and suggested life practice • Perfect for newcomers or for leaders engaging non-Christian communities • Study questions included Religious talk quickly degenerates into insider talk, but what if we turned it back out? Episcopal Bishop Mary Gray-Reeves takes six words related to Christian faith and translates them so they speak more broadly to those who proclaim themselves “spiritual but not religious.” Tying together Jesus’ parables and life today, this engaging title promises to help non-Christians explore faith and spiritual practice and train Christians to speak clearly about the things that matter most.

**Gospel Fluency**-Jeff Vanderstelt 2017-02-14 flu-en-cy / noun :the ability to speak a language easily and effectively Even if they want to, many Christians find it hard to talk to others about Jesus. Is it possible this difficulty is because we're trying to speak a language we haven't actually spent time practicing? To become fluent in a new language, you must immerse yourself in it until you actually start to think about life through it. Becoming fluent in the gospel happens the same way—after believing it, we have to intentionally rehearse it (to ourselves and to others) and immerse ourselves in its truths. Only then will we start to see how everything in our lives, from the mundane to the magnificent, is transformed by the hope of the gospel.

**Servant Evangelism**-Alvin L. Reid 2013-12-01 Sharing the gospel today, as in the first century, requires both a demonstration of the gospel as well as an explanation of its truth. This simple guide can lead your church to a new day of Great Commission effectiveness. -- from back cover
